******* ACTION *******

I want to formally say good by and good luck to our out-going Captain Walter and Treasurer Julie. Both have been valued members of our Company.

Special thanks go to Julie for without her hard work we would have been hard pressed to get our Tax-exempt status. We will keep you both on our email list and hope at some time in the future you will come visit or come out to play with us again.

I believe all members (I know I did) that left the meeting felt very optimistic for the 2009 season.

One last thought. I am both humbled and honored to be your new President and Captain. I look forward to the challenges that are ahead knowing that we have a great group that makes up our membership and they will be there when needed. I will continue to ask for your help and support as we move forward together. For together we can and will accomplish much. A motto I would like and hope you take on as one that our Company lives by; "Have fun, pay dues and help out."

In closing, always be safe and keep the lines of communication flowing.
Yours in service
Wayne
